Notes:

- (1) Fiscal year reports year ending in column year. Example, FY03/04 is reported in the column for 2004.
- (2) Above figures reported net of BOE audit assessments, refunds and amended/late returns.
- (3) The September 2006 and September 2007 figures have been revised to include all late or amended returns that remained unaccounted for when the September 2006 reports were prepared. This is a one time adjustment due to the material difference of a late return. In addition, the May 2006 and March 2007 figures have been revised due to incorrect postings.
- (4) The February 2008 figures include 10.7 million gallons in billed assessments.
